

IBM AnyPlace Kiosk™ Family

IBM transforms how you **attract** consumers, and empowers them to, **interact and transact** through innovative technology ... like the AnyPlace Kiosk Family.

Attract today's connected consumers. These ultra-durable, wireless, touch-screen kiosks let you create a personalized, hands-on experience virtually anywhere.

Capable of supporting applications for nearly every industry – from media preview to gift registry to gaming -- consumers' ability to **interact** with your brand reaches new heights.

New Point of Sale capabilities empower consumers to complete **transactions** on demand – increasing sales, building customer loyalty and improving employee productivity.

Give consumers what they've come to expect – a compelling, interactive experience where a world of information is at their fingertips; IBM AnyPlace Kiosk can make it happen.
