## How To Find Us

### From the US Border along Hwy #99:

After clearing Canada Customs, follow Highway #99 north. Take the #10 exit north onto King George Highway (#99A) and continue for approximately 20 km, through Surrey City Centre to the Pattullo Bridge toward New Westminister. The Pattullo Bridge becomes McBride Boulevard. Continue along for about 2 km, and turn left onto 10th Avenue. At Canada Way, turn right, and follow the road until you come to Wayburne Drive. Turn right onto Wayburne, and immediately left onto the IBM complex.
