

Eternal Egypt

World Summit Awards - World Summit Award winner in e-Culture
 "Selected as one of the best in the e-Culture category"

Winner of Webby Worthy Selection 9th Annual Webby Awards

Winner of Museums and the Web 2005 Best of the Web: Best Innovative or Experimental Application
 "Very well-thought out design provides a net in which to explore Egypt. The connections map is my favorite part of the site in that it connects artifacts, places, people..."
