Winnipeg emergency and medical assistance

Emergencies
Should an emergency occur while at the IBM 1382 Spruce Street Winnipeg site, please contact your local IBM customer coordinator onsite or by pager at 1-800-IBM-SERV. If the local customer coordinator is unavailable, please call 911. This number is used for emergencies only.

All IBM Security Officers are certified in CPR and first aid and will respond to all medical emergencies. IBM Security will meet at the location to assess the situation. If the situation requires emergency attention, the emergency number will be called by IBM Security.

Evacuation
Should a situation arise which requires the evacuation of this facility, you will be notified by the local IBM customer coordinator and/or the general alarm. You are to immediately vacate the building.

The following procedures describe the steps to take when evacuating the building. A map is provided at the back of this section.

GENERAL INSTRUCTIONS:
- Exit via the exterior exit in the computer room or the main front door in the work area.
- Follow the EXIT signs.
- Take personal belongings with you.
- Assist individuals with special needs.
- Provide direction to visitors and contractors.
- Evacuation procedures will be located in the Local Access Center

TO RETURN TO THE BUILDING:
- You will be given direction via the local IBM customer coordinator when it is safe to re-enter the building.

First Aid and Medical Assistance
If a medical emergency occurs, contact the local IBM customer coordinator immediately. He or she will arrange for Emergency ambulance service. In the event that the local IBM customer coordinator is not onsite, page him or her at 1-800-IBM-SERV and call 911 to arrange for an ambulance.
